

Welcome to our first newsletter of this academic year. Each week we will highlight key messages for our parents at Teachitright. Everyone should have had an email from us with your tutors' details, homework club links and relevant login information, do keep it handy! A few parents have struggled to log in to the Student Portal this week, please make sure you click on 'Student Portal' on our website (in the online menu) or use this direct link: [Teachitright \(ediface.org\)](https://www.ediface.org)

If you have any questions, feel free to email the office on [info@teachitright.com](mailto:info@teachitright.com) or call 01276 479036, our main office hours are Monday to Friday between 9am – 5pm. ## Year 5 Key Messages

### CGP Online Homework

Hopefully everyone received an email from us earlier in the week regarding the CGP online homework. Please do not worry if your child has found it difficult, it is an excellent resource that we will be using throughout the year. We will be returning to all of the question types throughout the course with the aim to continually improve the scores ongoing. If you prefer, your child can always come back to the online CGP homework in the coming weeks and just concentrate on the homework from the books.
