

Throughout the year we offer FREE parent workshops across the key subject areas involved in the 11+ exams. These workshops provide detailed information on key question types that have appeared in the exams with hints and tips on how to answer them. They are really useful sessions for parents to find out how to continue supporting your child at home. We are pleased to announce our first parent workshop will focus on Verbal Reasoning and will be held over Zoom on **Sunday 13th October at 4pm**. If you would like to come along please do book it on our website at the following link:
