Verbal Reasoning Masterclasses

Did you know that in Verbal Reasoning there are four number related question types and that children need to be able to calculate codes? If your child needs more support in year 5 with these questions, please do take a look at our online Verbal Reasoning Masterclasses. The materials used during the lessons are different from our weekly courses and our qualified teacher, Gemma Taylor, will be taking the classes. The sessions **cost £18** and can be booked separately depending on the areas that your child needs to focus on. They are also great for children that have started later in the course and missed block 1. Please book at the following link: <https://teachitright.com/ks2-masterclass/>
